37. Write a Java program to print the following string in a specific format (see output).
Sample Output

Twinkle, twinkle, little star,
        How I wonder what you are!
                Up above the world so high,
                Like a diamond in the sky.
Twinkle, twinkle, little star,
        How I wonder what you are

```java
public class Exercise37 {
    public static void main(String[] args) {
        // Display a pattern of a nursery rhyme.
        // \n (new line character), \t (horizontal tab)
        System.out.println("\nTwinkle, twinkle, little star, \n\tHow I wonder what
you are! \n\t\tUp above the world so high, \n\t\tLike a diamond in the sky.
\nTwinkle, twinkle, little star, \n\tHow I wonder what you are!\n\n");
    }
}
```
